REMINDER - TEMPORARY CLOSURE OF LINEAR PARK TRAIL, BETWEEN MCDONNELL AVENUE AND SOUTH ROAD, WEST HINDMARSH

As part of the Torrens Road to River Torrens Project, the T2T Alliance is continuing works to widen Taylor Bridge **until late 2018**.

To facilitate these works:

- The Linear Park Trail **will remain closed** between McDonnell Avenue and South Road until **mid to late November 2018**.
- Signage has been erected in strategic locations to direct pedestrians and cyclists to alternative routes that will re-connect with the Linear Park Trail.
- The footpath on the western side of South Road, across Taylor Bridge, will also be **temporarily closed** during these works.
- Pedestrians and cyclists travelling from West Hindmarsh should use the McDonnell Avenue pedestrian and cycling bridge to access the Brickworks Marketplace and Ashwin Parade, Torrensville.
- The footpath on the eastern side of South Road, across Taylor Bridge, will remain open.

We encourage pedestrians and cyclists to follow the designated detour and safely cross South Road at the signalised crossings at either Ashwin Parade or Grange Road. Safety is everyone's responsibility, and when the lowered motorway opens to traffic, conditions in this area will change, and the safety risks to pedestrians and cyclists who cross at uncontrolled locations will increase.

A map showing the alternative pedestrian and cyclist route is shown over the page. This will also be updated on the cycling journey planner at cycleinstead.com.au

Please visit www.t2talliance.com.au for information updates on the Taylor Bridge widening works, including alternative pedestrian and cycling access routes.

You can also contact us on: 1300 794 899, or email at: enquiries@t2talliance.com.au

We thank you for your patience while these works are being undertaken.

Kind regards
Community Relations Team
T2T Alliance
