

TORRENS ROAD TO RIVER TORRENS PROJECT – INDUSTRY PARTICIPATION PERFORMANCE UPDATE

The T2T Alliance is committed to the South Australian Industry Participation Policy and will provide full, fair and reasonable opportunities for industry to participate in the Torrens Road to River Torrens Project.

Under the South Australian Industry Participation Policy the T2T Alliance will procure the works in a manner that will generate economic activity to build capability and grow the State's economy.

The project Industry Participation commitments are monitored by the Office of the Industry Advocate.

All procurement packages for the T2T project will be assessed in line with the State's Government's Industry Participation Policy and reviewed by the T2T SA Industry Advisory Committee. Membership of the Committee includes external representatives from the Office of the Industry Advocate, Civil Contractors Federation, Adelaide Business Hub and the City of Charles Sturt, in addition to DPTI and T2T Alliance representatives.

The Project's Industry Participation performance to end of July 2018 is set out below.
